

General Check List for Running the Race

Course

Course is always a standard Olympic course. The Standard Olympic Course will be the typical course (buoys to port) if no other is posted on shore prior to race time. The Standard Olympic Course shall consist of one complete triangle plus a windward leg, a leeward leg, and finishing with a windward leg. (As described in Appendix N Addendum A of the CYA Racing Rules of Sailing, 20013-16).

Start Sequence.

Make sure you have the individual and general recall flags available just in case!!!!

General recall -- first Substitute Flag up + two horns 1 Minute delay then restart
From beginning of start sequence.

DURING RACE

Shorten Course:

Fly S flag (white with blue center square) with Horn. Course must be shortened to a **COURSE**

ROUNDING MARK.

Abandon Race.

Display Flag N with three sound signals

AT FINISH LINE:

Display the **RED** flag

Write boat Numbers and times on to the results sheet, this can be very busy

As each boat crosses the line beep the **HORN.**

AT THE DOCK AFTER THE RACE:

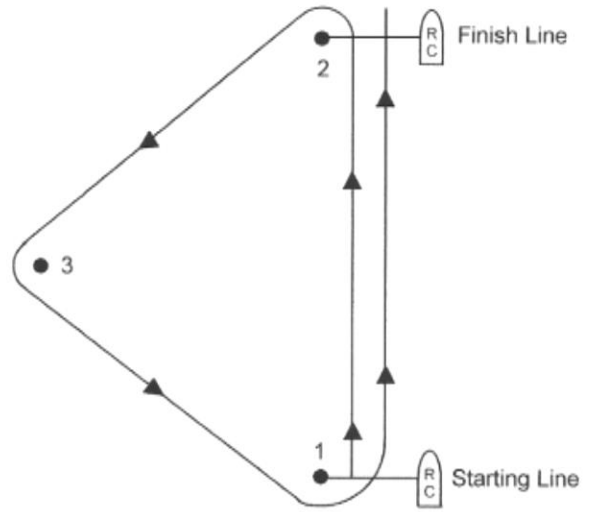

Protest time limit 30min after committee boat docks, Sound horn when boat docks and note time.

Make sure the copy of the race results is readable and handed in. Only the sail numbers and the times are important with your best estimate of the wind strength.
